RETAIL CLIENT ISSUES

Typically, the advice we provide to our Retail Clients is limited to General Advice. General Advice does not take into account your particular needs and requirements and you should consider the appropriateness of this advice to your circumstances prior to acting upon it. We will provide you with a General Advice Warning in such cases.

We will provide you with further information whenever we provide you with Personal Advice, which is advice which takes into account your objectives, financial situation and needs. This information may include the advice that we have given you, the basis of the advice and other information on our remuneration and any relevant associations or interests. This information may be contained in a statement of advice (SOA).

When you ask Us to recommend an insurance policy for you, We will usually only consider the policies offered by the insurers or insurance providers that We deal with regularly. In giving you advice about the costs and terms of recommended policies We have not compared those policies to other policies available, other than from those insurers We deal with regularly.

If we recommend the purchase of a particular financial product, we will also give you a Product Disclosure Statement at that time, which sets out details specific to that product and the key benefits and risks in purchasing the product.

WHAT WE EXPECT FROM YOU

To enable Us to provide the right advice we need you to provide Us with complete information about the risk(s) that you face and those that you want to be insured for. You should also tell Us about any relevant changes as they occur so that We can review your insurance needs accordingly.

OUR SOURCES OF INCOME

When placing your insurance for you, Edgewise Insurance Brokers usually receives a commission from the insurer. The amount varies between 0% and 25% of the base premium you pay. Where a policy is cancelled before the period of insurance has ended the commission on any return premium involved is usually retained.

If you are a Retail Client and we give you Personal Advice, full commission details (including the dollar amounts) will be provided in any SOA. When we give you General Advice, full commission information (including dollar amounts) will be provided on request.

We have a set of standard non refundable Broker Fees that We charge you for the cost of services such as: market research on products available; assessing the claims paying ability of insurers; sourcing alternative quotations and coverage, and risk analysis and portfolio co-ordination.

We may charge you a Policy Administration Fee which covers our general office overhead costs associated with the calculation, preparation and production of tax invoices and supporting documentation, insurer premium and statutory charges collection, and settlement to underwriters and relevant authorities.

All fees payable for our services will be advised to you at the time of providing the advice or service and will be set out in Our invoice.

If a policy that We arrange for you is cancelled before the period of insurance has ended we will retain a fee that is equal to the commission included in any premium returned to you.

We may receive additional remuneration from insurers with whom we have profit share or volume bonus arrangements. This remuneration is payable if we meet certain agreed sales and/or profitability targets set by the insurer. If We have profit share arrangements with an insurer that apply to a product We recommend to you, We will advise you of this at the time of making any such recommendation.

We retain the interest on premiums paid by you that are held in Our trust account before paying the insurer.

Premium funding products enable you to pay your premiums by installments. Premium funders do charge interest. We can arrange premium funding if you require it. We may receive a commission based on a percentage of the premium from the premium funder for doing so. We will tell you the basis and amount of any such payment if you ask Us.

Steadfast Group Ltd (Steadfast)

We are a shareholder of Steadfast. They have exclusive arrangements with some insurers where they receive between 0.5 – 1.5% commission on the premium placed by us with those insurers. These payments are used to operate Steadfast.

Depending on the operating costs of Steadfast (including the costs of member services provided to us and other shareholders) and the amount of total business We place with the participating insurers in any financial year, we may receive some of that commission at the end of each financial year.

As a Steadfast shareholder, we can access services including operating and compliance tools, advice and assistance from professional bodies, group insurance arrangements, product comparison and placement support, claims support and purchasing arrangements. These member services are either funded or subsidised by Steadfast or available exclusively to shareholders for a fee.

Steadfast is also a shareholder of Miramar Underwriting Agency Pty Ltd (Miramar). As a shareholder, Steadfast may receive dividends from Miramar. These amounts will indirectly contribute towards the benefits We receive from Steadfast. We may also qualify for reward points under the Miramar rewards program for insurance We arrange with Miramar. The number of points We earn will depend on the premium paid to Miramar for the insurance products We arrange with them, subject to a minimum threshold. The points may be redeemed for certain goods or flights.

Steadfast has a shareholding in Macquarie Premium Funding (MPF). If We arrange premium funding with MPF for you, Steadfast will receive 0.5% of your insurance premium (including government fees or charges). As an equity shareholder of MPF, Steadfast may also receive dividends from profits of MPF. The amount of the Steadfast dividend is based on the share of the profit attributable to funding arranged by Steadfast shareholders. The payments (commission and dividends) that Steadfast receives from MPF are used to operate Steadfast. Depending on the operating costs of Steadfast and the amount of total business We place with MPF in any financial year, we may receive a portion of those amounts at the end of each financial year.
