PRIVACY POLICY

McLardy McShane Adelaide Pty Ltd trading as **AIBI – Adult Industry Business Insurance** is a Corporate **Authorised Representative (No: 1289317)** of **McLardy McShane Partners Pty Ltd AFSL No: 232987 ABN: 14 064 465 309**

At McLardy McShane Partners Pty Ltd, we are committed to protecting your privacy in accordance with the Privacy Act 1998 (Cth) and the Australian Privacy Principles. This Privacy Policy describes our current policies and practices in relation to the collection, handling, use and disclosure of personal information. It also deals with how you can complain about a breach of the privacy laws and how you can access the personal information we hold and how to have that information corrected.

What information do we collect and how do we use it?

When we arrange insurance on your behalf, we ask you for the information we need to advise you about your insurance needs and management of your risks. This can include a broad range of information ranging from your name, address, contact details, age to other information about your personal affairs including your assets, personal belongings, financial situation, health, and wellbeing. We provide any information that the insurers or intermediaries who we ask to quote for your insurances and premium funding require to enable them to decide whether to insure you and on what terms, or to fund your premium and on what terms.

Insurers may in turn pass on this information to their reinsurers. Some of these companies are located outside Australia. For example, if we seek insurance terms from an overseas insurer (eg Lloyd's of London), your personal information may be disclosed to the insurer. If this is likely to happen, we inform you of where the insurer is located, if it is possible to do so.

When you make a claim under your policy, we assist you by collecting information about your claim. Sometimes we also need to collect information about you from others. We provide this information to your insurer (or anyone your insurer has appointed to assist it to consider your claim, eg loss adjusters, medical practitioners, etc.) to enable it to consider your claim. Again, this information may be passed on to reinsurers.

From time to time, we will use your contact details to send you direct marketing communications including offers, updates and newsletters that are relevant to the services we provide. We always give you the option of electing not to receive these communications in the future. You can unsubscribe by notifying us and we will no longer send this information to you.

What if you don't provide some information to us?

We can only fully advise you and assist in arranging your insurance or with a claim if we have all relevant information. The insurance laws also require you to provide your insurers with the information they need in order to be able to decide whether to insure you and on what terms. You have a duty to disclose the information which relevant to the insurer's decision to insure you.

When do we disclose your information overseas?

If you ask us to seek insurance terms and we recommend an overseas insurer, we may be required to disclose the information to the insurer located outside Australia. For example, if we recommend a policy provided by Lloyd's of London, your information may be given to the Lloyd's broker and underwriters at Lloyd's of London to make a decision about whether to insure you.

We will tell you at time of advising on your insurance if they are overseas and in which country the insurer is located. If the insurer is not regulated by laws which protect your information in a way that is similar to the Privacy Act, we will seek your consent before disclosing your information to that insurer.

Australian and overseas insurers acquire reinsurance from reinsurance companies that are located throughout the world, so in some cases your information may be disclosed to them for assessment of risks and in order to provide reinsurance to your insurer. We do not make this disclosure; this is made by the insurer (if necessary) for the placement for their reinsurance program.

How do we hold and protect your information?

We strive to maintain the reliability, accuracy, completeness, and currency of the personal information we hold and to protect its privacy and security. We keep personal information only for as long as is reasonably necessary for the purpose for which it was collected or to comply with any applicable legal or ethical reporting or document retention requirements.

We hold the information we collect from you initially in a working file, which when completed is electronically imaged and stored, after which any paper is destroyed in our onsite shredder. In some cases, your file is archived and sent to an external data storage provider for a period of time. We only use storage providers located in Australia who are also regulated by the Privacy Act.

We ensure that your information is safe by protecting it from unauthorised access, modification, and disclosure. We maintain physical security over our paper and electronic data and premises, by using locks and security systems. We also maintain computer and network security; for example, we use firewalls (security measures for the Internet) and other security systems such as user identifiers and passwords to control access to computer systems where your information is stored.

Will we disclose the information we collect to anyone?

We do not sell, trade, or rent your personal information to others.

We may need to provide your information to contractors who supply services to us, eg to handle mailings on our behalf, external data storage providers or to other companies in the event of a corporate sale, merger, re-organisation, dissolution or similar event. However, we will take reasonable measures to ensure that they protect your information as required under the Privacy Act.

We may provide your information to others if we are required to do so by law, you consent to the disclosure or under some unusual other circumstances which the Privacy Act permits.

How can you check, update, or change the information we are holding?

Upon receipt of your written request and enough information to allow us to identify the information, we will disclose to you the personal information we hold about you. We will also correct, amend, or delete any personal information that we agree is inaccurate, irrelevant, out of date or incomplete.

If you wish to access or correct your personal information please write to Meg Long, Privacy Officer, Level 3, Building 7, Botanicca Corporate Park, 570-588 Swan Street, Richmond VIC 3121.

We do not charge for receiving a request for access to personal information or for complying with a correction request. Where the information requested is not a straightforward issue and will involve a considerable amount of time, then a charge will need to be confirmed for responding to the request for the information.

In some limited cases, we may need to refuse access to your information, or refuse a request for correction. We will advise you as soon as possible after your request if this is the case and the reasons for our refusal.

What happens if you want to complain?

If you have concerns about whether we have complied with the Privacy Act or this privacy Policy when collecting or handling your personal information, please write to Meg Long, Privacy Officer, Level 3, Building 7, Botanicca Corporate Park, 570-588 Swan Street, Richmond VIC 3121.

Your complaint will be considered by us through our Internal Complaints Resolution process. We will acknowledge your complaint within 24 hours, and we will respond with a decision within 30 days of you making the complaint. If we need to investigate your complaint and require further time, we will work with you to agree to an appropriate timeframe to investigate. We will provide you with information concerning referring your complaint to the Australian Financial Complaints Authority if we cannot resolve your complaint.

If you have any further questions about the financial services AIBI - Adult Industry Business Insurance or McLardy McShane Partners Pty Ltd provides, please contact us. Please retain this document for your reference and any future dealings with AIBI - Adult Industry Business Insurance or McLardy McShane Partners Pty Ltd.

IMPORTANT NOTICES & INFORMATION

We have prepared this document to assist you to understand important issues relating to your insurances. We recommend that you read it carefully. Please contact your Insurance Broker if there is anything you do not understand, or if you have any questions.

Duty to take reasonable care not to make a misrepresentation (*This applies to consumer insurance contracts only, these are insurance contracts obtained wholly or predominantly for personal, domestic or householder purposes. Consumer insurance contracts include but are not limited to Home Building, Home Contents, Motor Vehicle, Motorcycle, Residential Strata, Consumer Credit, Sickness & Accident, and Travel*).

You have a duty under the *Insurance Contracts Act 1984 (ICA)* to take reasonable care not to make a misrepresentation to the insurer (**your duty**).

Your duty applies only in respect of your policy that is a consumer insurance contract, which is a term defined in the ICA.

This notice includes information you have previously told us that is relevant to your policy, which we passed on to the insurer. The insurer requires you to contact us to tell us if this information is incorrect, or if it has changed. If you do not tell us about a change to something you have previously told us, the insurer will take this to mean that there is no change.

To ensure you meet your duty, when you contact us to advise of any information that is incorrect or has changed, the updated information you give us must be truthful, accurate and complete.

If you fail to meet your duty, the insurer may be able to cancel your contract or reduce the amount it will pay if you make a claim, or both.

If your failure is fraudulent, the insurer may be able to refuse to pay a claim and treat the contract as if it never existed.

Your Duty of Disclosure (*This applies to non-consumer insurance contracts*).

Before you enter into an insurance contract, you have a duty to tell the insurer anything that you know, or could reasonably be expected to know, that may affect their decision to insure you and on what terms.

You have this duty until they agree to insure you. You have the same duty before you renew, extend, vary, or reinstate an insurance contract.

You do not need to tell the insurer anything that:

- reduces the risk they insure you for; or
- is common knowledge; or
- they know or should know as an insurer; or
- they waive your duty to tell them about.

If you do not tell the insurer something

If you do not tell the insurer something you are required to, they may cancel your contract or reduce the amount they will pay you if you make a claim, or both.

If your failure to tell them is fraudulent, they may refuse to pay a claim and treat the contract as if it never existed.

For insurances required by statute, such as CTP motor vehicle insurance and workers compensation, the Insurer may be able to recover against the Insured in the event of misrepresentation, misstatement, or non-disclosure.

If you are uncertain as to whether information is relevant to the insurer's decision to insure, please contact and we can help you identify whether the information should be disclosed to the insurer on the application or upon renewal or variation of the insurance.

Duty of Good Faith

Both parties to an insurance contract, the insurer, and the insured, must act towards each other with the utmost good faith. If you fail to do so, the insurer may be able to cancel your insurance. If the insurer fails to do so, you may be able to sue the insurer.

Underinsurance

Underinsurance occurs when you have not insured the full repair or replacement value of your property/asset. If you are underinsured, your insurer may rely on any 'Average' or 'Co-insurance' clause in the insurance policy. This means you may not receive full compensation for your loss and would have to bear part of the loss yourself.

Reviewing the sums insured and declared values on a regular basis and at each renewal will help you to ensure that you have maximum protection under your policies.

You need to decide whether to increase the sums insured or declared values of insured property/assets, and whether you require replacement on a 'new for old' basis. It is also important to consider other costs such as removal of debris and any additional costs that may be required to replace the damaged property/asset. The value of the property/assets insured may need to be updated if you change locations, renovate, or expand your premises, or purchase new property/assets (especially if your purchases are substantial).

In some cases, insured property (like a motor vehicle) may depreciate in value, or you may want to reduce the insured values to ensure that you are paying a competitive premium.

If you want to discuss whether insured property/asset values should be changed in your policies, please contact your Account Manager for assistance. If a change to the value of the property/assets insured under your policies is not notified to us, we cannot communicate these changes to the insurer.

Average or Co-insurance

Some policies contain an Average clause. This means that if you insure for less than the full value of the property, your claim may be reduced in proportion to the amount of the under-insurance. These clauses are also called "Co-Insurance" clauses.

A simple example is as follows:

Full (Replacement) Value	\$1,000,000
Sum Insured	\$ 500,000
Therefore, you would be self-insured for 50% of the Full Value.	
Amount of Claim	\$ 100,000
Payable by Insurers as a result of the application of Average/Co-Insurance, i.e., 50%,	\$ 50,000

Some Business Interruption policies contain an Average/Co-Insurance clause, but the calculation is different. Generally, the Rate of Gross Profit, Revenue or Rentals (as applicable) is applied to the Annual Turnover, Revenue or Rentals (as applicable) (after adjustment for business trends or other circumstances).

If you are in any doubt about whether and how Average/Co-Insurance clauses apply to your insurances, please contact your Account Manager for assistance.

Subrogation and/or Hold Harmless Agreements

You can prejudice your rights to claim under your insurance if you make any agreement with a third party that will prevent or limit the Insurer from recovering the loss from that party (or another party who would otherwise be liable). This can occur when you sign a contract containing an indemnity clause, "hold harmless" clause or a release – unless you obtain the Insurer's consent in advance.

This is because some policies contain a 'contractual liability exclusions' that mean the Insurer can refuse to pay or

reduce the amount it is liable to pay by the extent to which it is unable to recover from the third party. These exclusions are often found in public and products liability, broadform liability and professional indemnity policies.

Examples of such agreements are the “hold harmless” clauses which are often found in leases, in property management contracts, in maintenance or supply contracts from burglar alarm or fire protection installers and in repair contracts. Other contracts you sign from time to time relating to your business operations (e.g., supply agreements, equipment hire contracts, event hire contracts, labour hire contracts, subcontracts, design and construct contracts, consultancy agreements etc.) may contain indemnity clauses and releases which may trigger the operation of policy exclusions or breach the conditions of your insurance.

Do not sign a contract or lease without contacting your broker and/or taking legal advice as to whether the contract terms will prejudice your insurance protection under your policies. If you are in doubt or require further assistance, please consult your Account Manager.

Leasing, Hiring and Borrowing Property

When you lease, hire, or borrow property, make sure that the contract clearly identifies who is responsible for insuring the property. This will help avoid arguments after a loss and ensure that any claims are efficiently processed.

Industrial Special Risks policies automatically cover property which you are responsible to insure, subject to the policy excess. The decision as to who should insure the property is not left to your discretion. You may have other insurance (for example, public liability) which may assist you meet claims relating to property damage or personal injury caused to or by property which you lease or hire. Please note, there is usually a sub-limit on the amount of claims that can be made for damage to property in your temporary care, custody or control.

If the responsibility to insure lies with the owner, we recommend you try to ensure the lease or hire conditions waive any rights of recovery against you, even when the damage is due to your negligence. This will prevent the owner’s Insurer making a recovery against you.

If there are no conditions relating to responsibility to insure in the hire or lease contract, you should write to the owner asking who is to insure the property.

Unnamed Parties

If you require a person to be named as a co-insured, a joint insured, an insured person or if you require the interest of a third party to be covered by your policy, you **must** request this in advance. Most policy conditions will not provide indemnity to other parties (e.g., mortgagees, lessors, principals etc) unless their interest is properly noted on the policy. Please note, while we can ask, we cannot guarantee that an insurer will accommodate a request to include a further party as an insured under your policy or to note the interests of another party on your policy.

If this is required under a contract or agreement, do not sign the contract without checking with us whether the insurer is prepared to include the other party as an insured or note that party’s interests. You should also be aware that it may not be in your best interests to make arrangements to have someone else insured under the terms of your policy. We can advise you about this.

If you would like assistance or guidance with the insurance requirements under a contract, please consult your Account Manager.

Insurance placed with Unauthorised Foreign Insurers

If your risk is atypical or the insurance cannot reasonably be placed with an Australian authorised insurer, we may recommend that you insure with an unauthorised foreign insurer.

An unauthorised foreign insurer is an insurer that is not authorised under the Insurance Act 1973 (**Act**) to conduct insurance business in Australia and is not subject to the provisions of that Act, which establishes a system of financial supervision of general insurers in Australia that is monitored by the Australian Prudential Regulation Authority (**APRA**).

The insurer cannot be a declared general insurer for the purpose of Part VC of the Insurance Act 1973, and, if the insurer becomes insolvent, you will not be covered by the Federal Government’s Financial Claims Scheme provided

under Part VC of that Act.

If we do recommend that you insure, vary, or renew your insurance with an unauthorised foreign insurer, we will tell you about that insurer and which policies we have placed with them.

You should consider whether you require further information regarding:

- The country in which the insurer is incorporated, and what scheme of financial supervision of insurers applies.
- The paid-up capital of the insurer.
- The insurer's rating by credit rating agencies.
- The insurer's financial reports.
- Which country's laws will determine disputes in relation to the policy?

As your insurance broker, we do not warrant or guarantee the current or ongoing solvency or financial viability of the insurer because we have no control over the insurer's performance, and this can be affected by many complex commercial and economic factors. The solvency of an insurer can change significantly between the time an insurance contract is entered into and the time a claim may be made. If you have concerns about the insurer's solvency you should review the insurer's credit rating from time to time.

Claims Occurring prior to Commencement

Your attention is drawn to the fact that most of your policies do not provide indemnity in respect of events that occurred before the insurance commenced. They cover events that occur during the time the policy is current.

Claims Made during the Period of Insurance

Some policies (for example, professional indemnity insurance) provide cover on a "claims made" basis.

This means that claims that are first advised to you (or made against you) and reported to your insurer during the period that the policy is current are insured under that policy, irrespective of when the incident causing the claim occurred (unless there is a date beyond which the policy does not cover – this is called a "retroactive date").

If you become aware of circumstances which could give rise to a claim and notify the insurer during the period that the policy is current, a claim later arising out of those circumstances should also be covered by the policy that is current at the time of the notification, regardless of when the claim is actually made or when the incident causing the claim occurred

In order to ensure that your entitlement to claim under the policy is protected, you must report all incidents that may give rise to a claim against you to the Insurers without delay after they come to your attention and before the policy expires.

Non-renewable Insurance

Cover under your policy/policies terminates on the date shown in our tax invoice or adjustment note.

While insurers will send renewal offers for most insurance policies, there are some which are not "renewable". For these, if you wish to effect similar insurance for a subsequent period, you will need to complete a further proposal before the current policy expires so that we can seek terms of insurance and quotations on your behalf.

Essential Reading of the Policy Wording

The policy wordings for your insurances have either been provided to you or will be sent to you as soon as they are received from your Insurers. We recommend that you read these documents carefully as soon as possible and advise us in writing of any aspects which are not clear to you or if any aspect of the cover does not meet with your requirements.

Retail Client Definition

The Corporations Act 2001 (the Act) defines Retail Clients as: Individuals or a manufacturing business employing less than 100 people or any other business employing less than 20 people and that are purchasing the following types of insurance covers: Motor vehicle, home building, contents, personal and domestic, sickness/accident/travel, consumer credit and other classes as prescribed by regulations.

Policy Cancellation

If a cover is cancelled before the expiry of the period of insurance, we reserve the right to refund to you only the net return premium we receive from the insurer and not refund any part of the brokerage and/or broker fee we receive for arranging the cover. A broker fee may be charged to process the cancellation.

Non monetary remuneration

During the course of our business we may receive non-monetary remuneration from insurers, underwriters or other third parties. This may include but is not limited to; access to technology platforms and I.T support, education and training, event sponsorship, and marketing assistance. We will not accept any non-monetary remuneration where doing so could reasonably be expected to influence the advice we provide to you.

Premium funding warning

Premium funding allows you to spread out the cash flow associated with paying your insurance premiums over the next twelve months. We receive a commission from the funder for arranging the funding contract; full details are available on request.

Please note that should the insurance policy be cancelled before the expiry date for whatever reason, the Premium Funder will charge you the full interest applicable to the contract, as detailed in the Loan Application Form. Typically there will be no refund of our commission on the refund premium and no refund of any fee we may have charged you for arranging the cover. We also reserve the right to charge you a policy cancellation handling fee. In some cases underwriters also apply minimum premiums to policies, which may further reduce the refund that you might otherwise receive.

The impact of the above on you is that any refund you receive for the mid term cancellation of your policy will usually be significantly less than a pro rata calculation would produce and in extreme cases may involve you having to make an additional final payment even though the policy has been cancelled. Therefore prior to cancelling a policy and replacing it with another cover we strongly recommend that you discuss your situation with us so that we can advise the exact extent and impact of the early cancellation provisions mentioned above.
